

Dear North Avoca Resident,

As we move into Spring this week, we thought it was a great time to update the North Avoca Community on your local Surf Club and our activities for the new season.

While our Club's operations will be different, we want to assure all residents and members that we are planning to deliver a season as normal as we can. The Club is already registered as a COVIDSafe Club.

Our volunteer beach patrols are planned to commence on Saturday 26th of September. Whilst you will see some minor differences to ensure that our members and the public are kept COVIDsafe, we will again be focused on keeping our local beach safe throughout the season.

See over for a flyer on our New Members and New Nippers Registration Day. Whilst again there will be some changes to our Nippers format, our plans and if need be, fall-back plans are well advanced.

We have implemented a new online COVIDSafe registration process for all our existing members through the Surf Lifesaving Australia Members Portal. [www.members.sls.com.au](http://www.members.sls.com.au). Please contact us at [office@northavocaslc.com.au](mailto:office@northavocaslc.com.au) if you have any difficulties. New members only are encouraged to attend our registration day on September 13th from 10am-2pm so we can help you through the process. New Members are required to provide proof of age, so please bring your driver's license, birth certificate or passport.

A number of residents have also mentioned that they missed us on the annual Easter doorknock appeal. As you may be aware, we had to postpone our annual fundraising event as a result of COVID-19 regulations. For those who may still want to make a tax deductible donation to the Surf Club you can now do so via our website <https://www.northavoca.com.au> Look for the DONATE button on the home page.

In a time when we are all staying more local and travelling less as a result of the restrictions around COVID-19, the North Avoca surf club welcomes both existing and new members from our community. For those North Avoca residents not familiar with our Club, we are running a new member information hour at 4pm-5pm on Sunday afternoon September 13th. Please register by email to [office@northavocaslc.com.au](mailto:office@northavocaslc.com.au) so we can comply with COVID-19 social distancing regulations.

We hope to see you all on the beach this season.

Kind Regards

Matt Slattery  
Club President
