

CARNIVAL/TRAINING LEVY

There is a \$90 U9-U14 and \$70 U8 carnival and training levy to be paid at the start of the season. The Levy is designed to cover the cost of entries to 3 Central Coast Branch Interclub carnivals and the Branch Championships and training equipment. There is a fourth carnival for the U12-U14 this season and will be an additional \$20.

Once all the carnival entries have been received, a Water Safety and Officials roster will be provided. Parents have the option to nominate carnivals to volunteer as Officials and Water Safety. Must nominate two interclub carnivals and Branch.
